Invisible String

lindsay reyes

previsualization

OVERVIEW

idea: invisible string

leading questions/emotions

how someone you have always been connected to suddenly enters your life, and how they may have been there the whole time

how

same place different time - two people in the same space

- Features a time switch/alternate reality
- Long exposure: use light to create a golden string

Shot list/general story order

Setting: Library, natural light

Overall

Both models in the same space, in public, to show that it was by chance they are in proximity.

Medium 1

Subject 1
distracted

Medium 2

Subject 2
distracted

Full shot

Subject 2 noticing subject 1
for the first time

Shot list/general story order

Scene switch: AXO house, low light, candlelight, silhouettes/shadows

Close up 1

a life of what could have been,
subject 1 in candlelight, a
golden string trailing from her
finger, on the stairs

Long shot

Subject 1 and 2 on different levels of
stairs, a zoomed out/birds eye
perspective, again, of them being in
the same space but not
seeing/registering each other

Close up 2

Subject 2 with golden string

Shot list/general story order

Scene switch: AXO house, low light, candlelight, spotlights

Shot list/general story order

Scene switch: back to the library

Full shot

Subject 1 notices subject 2

Medium

They get closer together

Detail

End story with hands connected together by the golden string of light
